

5 Year Old Handout

Healthy Teeth

- Help your child brush his teeth twice a day.
 - After breakfast
 - Before bed
 - Use a pea-sized amount of toothpaste with fluoride.
- Help your child floss his/her teeth once a day.
- Your child should visit the dentist at least twice a year.

Ready for School

- Take your child to see the school and meet the teacher.
- Read books with your child about starting school.
- Talk to your child about school.
- Make sure your child is in a safe place after school with an adult.
- Talk with your child every day about things he/she liked, any worries, and if anyone is being mean to him/her.
- Talk to us about your concerns.

Your Child and Family

- Give your child chores to do and expect them to be done.
- Have family routines.
- Hug and praise your child.
- Teach your child what is right and what is wrong.
- Help your child to do things for himself/herself.
- Children learn better from discipline than they do from punishment.
- Help your child deal with anger.
- Teach your child to walk away when angry or go somewhere else to play.

Staying Healthy

- Eat breakfast.
- Buy fat-free milk and low-fat dairy foods, and encourage 3 servings each day.
- Limit white starches, sugary foods, candy, soft drinks/juice, and high-fat foods.
- Offer 5 servings of vegetables and fruits at meals and for snacks every day.
- Limit screen time to 2 hours a day.
- Do not have a TV in your child's bedroom.
- Make sure your child is active for 1 hour or more daily.

Safety

- Your child should always ride in the back seat and use a car safety seat or booster seat.
- Teach your child to swim.
- Watch your child around water.
- Use sunscreen when outside, SPF 30 or higher.
- Provide a good-fitting helmet and safety gear for biking, scootering, skating, in-line skating, skiing, snowboarding, and horseback riding.
- Have a working smoke alarm on each floor of your house and a fire escape plan.
- Install a carbon monoxide detector in a hallway near every sleeping area.
- Never have a gun in the home. If you must have a gun, store it unloaded and locked with the ammunition locked separately from the gun.
- Ask if there are guns in homes where your child plays. If so, make sure they are stored safely.
- Teach your child how to cross the street safely. Children are not ready to cross the street alone until age 10 or older.
- Teach your child about bus safety.
- Teach your child about how to be safe with other adults.
- No one should ask for a secret to be kept from parents.
- No one should ask to see private parts.
- No adult should ask for help with his private parts.

Immunizations

- The Varivax vaccine to prevent against chicken pox and the Polio vaccine were given at this visit.
- All vaccines may cause local redness and soreness at the site of injection.
- It is recommended to avoid ibuprofen products for 30 days after receiving the Varivax vaccine. Acetaminophen may be given instead.

Tests

- Hearing and a vision screenings will be performed at this visit.
- If there is risk, a PPD test to screen for tuberculosis may be done today. If a PPD test is administered, please schedule an appointment in 48-72 hours from when the PPD is placed to have it read by a nurse.
- If there is risk, a lipid test to screen for high cholesterol may have also been done today.
